- A current Federal Government employee, selected for a detail, will be assigned to the position at his or her current grade and salary.

## **Component Mission**

The National Counterterrorism Center (NCTC) leads our nation's effort to combat terrorism at home and abroad by analyzing the threat, sharing that information with our partners, and integrating all instruments of national power to ensure unity of effort. The Center serves as the primary organization in the United States Government (USG) for analyzing and integrating all intelligence possessed or acquired by the USG pertaining to terrorism and counterterrorism, and its Director serves as the Counterterrorism Mission Manager. NCTC also serves as the central and shared knowledge bank on known and suspected terrorists and international terrorist groups, as well as their goals, strategies, capabilities, and networks of contacts and support. In addition, NCTC conducts strategic operational planning for counterterrorism activities, coordinating and integrating the efforts of departments and agencies across the Federal Government.

## **Major Duties and Responsibilities (MDRs)**

Plan, research, develop, and communicate in-depth analyses of complex and significant national, regional, and/or global issues for senior policymakers and key components in the Intelligence Community (IC), law enforcement, and the Office of the Director of National Intelligence (ODNI).

Develop and produce a broad range of finished intelligence products in support of United States (US) foreign policy and national security interests.

Prepare and present written and oral briefings to senior internal and external customers on significant intelligence issues.

Utilize a variety of methodological tools and creative approaches to gain a comprehensive understanding of complex and significant analytic issues and incorporate insights and findings into well-crafted, sophisticated intelligence products.

Build and maintain productive working relationships with colleagues, experts, IC members, policy committees, and law enforcement agencies as appropriate and use these relationships to share information of interest and collaborate on intelligence production; attend internal and external training, seminars, or conferences on broad or more strategic subject areas relevant to your work.

Develop and continually expand personal knowledge in areas of expertise relevant to your work.

## **Mandatory and Educational Requirements**

Demonstrated ability to quickly and effectively research, develop, and produce high-quality, complex analyses, studies, projects, assignments, and briefings, sometimes under pressure and short deadlines.

Analytic and critical thinking skills, including superior ability to think strategically while also managing detail-oriented work habits.
